COMPLIANCE TESTING

A Division of:
N777

SUBMISSION REQUIREMENTS

Amusement / Redemption Games

To expedite our review of amusement / redemption games for regulatory compliance, we request the following information be provided for our examination:

1. Cover letter requesting what to be reviewed and for which jurisdictions it will be reviewed. This letter should be on Company letterhead and list appropriate contact people, address, fax and phone number.
2. Operator's and/or Technician's Manual
3. Annotated software source code listings on CD-ROM. Preferably in TEXT format.
4. Copies of all EPROMs or other storage media.
5. Any other items or information that may be required or requested.

If you should have any questions or require any additional information, please feel free to contact our office.

We Don't Play Games... We Test Games
